CONTINUING CONNECTED PARTY TRANSACTIONS

1. Background

References are made to the announcement of Hui Xian REIT dated 6 April 2023 and the circular of Hui Xian REIT dated 11 April 2023 in relation to, among other things, the continuing connected party transactions between members of the CK Group and members of the Hui Xian REIT Group under the Existing CK Leasing and Licensing Master Agreement and the Existing CK Property Management Master Agreement.

As the Existing CK Leasing and Licensing Master Agreement and the Existing CK Property Management Master Agreement will expire on 31 December 2026, and having regard to the regular, ordinary and ongoing nature of the CK Leasing and Licensing Transactions and the CK Property Management Transactions, on 16 April 2026, the Manager (in its capacity as manager of Hui Xian REIT) entered into the Renewed CK Leasing and Licensing Master Agreement and the Renewed CK Property Management Master Agreement with CK Asset to set out the framework terms governing the CK Leasing and Licensing Transactions and the CK Property Management Transactions respectively for the period from 1 January 2027 to 31 December 2029.

2. Renewed CK Leasing and Licensing Master Agreement

2.1 Principal terms

The principal terms of the Renewed CK Leasing and Licensing Master Agreement are set out below:

Date: 16 April 2026

Parties: (i) CK Asset; and
(ii) the Manager (in its capacity as manager for and on behalf of the Hui Xian REIT)

Term: Three years from 1 January 2027 up to 31 December 2029

Purpose and other terms: To set out the framework terms on which the CK Leasing and Licensing Transactions shall be entered into, renewed or extended during the term of the Renewed CK Leasing and Licensing Master Agreement.

The Manager (for and on behalf of Hui Xian REIT) and CK Asset shall respectively procure the relevant members of the Hui Xian REIT Group and the relevant members of the CK Group (being the relevant parties to the CK Leasing and Licensing Transactions) to enter into a separate written agreement with respect to each CK Leasing and Licensing Transaction to be negotiated on a case-by-case and at arm's length basis, and shall be on normal commercial terms which from the Hui Xian REIT Group's perspective shall be no more favourable than those which members of the Hui Xian REIT Group made available to independent third parties.

Pricing policy: The rent or license fee chargeable for such transactions shall be based on the then prevailing market rates for properties of similar size and with similar attributes within the same building (or, if not available, within the vicinity). The basis of any management or service fees chargeable in connection with such transactions shall be the same as that of such fees chargeable to other independent third party tenants or licensees of the same building or property.

To ensure that each transaction under the Renewed CK Leasing and Licensing Master Agreement is entered into based on the then prevailing market rate, an independent valuation will be conducted for such transaction except where they are conducted on standard or published rates and the Manager will compare the tenancy agreement terms with those of the tenancy agreements entered into between the Hui Xian REIT Group and independent third parties in respect of similar properties to ensure that the major terms such as rentals, building management fees and rental deposit offered to the CK Group are no more favourable than those offered to the independent third parties.

2.2 Historical transaction amounts

The table below sets out the aggregate historical transaction amounts (including rental/license fee and management and service fees) received or receivable by members of the Hui Xian REIT Group from members of the CK Group in respect of the CK Leasing and Licensing Transactions for each of the two years ended 31 December 2024 and 2025 and the two months ended 28 February 2026:

For the year ended 31 December		For the two months ended
2024	2025	28 February 2026
<i>RMB'000</i>	<i>RMB'000</i>	<i>RMB'000</i>
4,866	4,864	807

2.3 CK Leasing and Licensing Annual Caps and basis for determining the CK Leasing and Licensing Annual Caps

It is expected that, the aggregate annual amount (including rental/license fee and management and service fees) expected to be received by members of the Hui Xian REIT Group from members of the CK Group in respect of the CK Leasing and Licensing Transactions for each of the three years ending 31 December 2027, 2028 and 2029 will not exceed the amounts set out below:

For the year ending 31 December		
2027	2028	2029
<i>RMB'000</i>	<i>RMB'000</i>	<i>RMB'000</i>
26,500	26,800	27,200

The CK Leasing and Licensing Annual Caps are determined based on the following assumptions:

- (a) the application of an increment factor of 6.0% to the historical transaction amount for the year ended 31 December 2025 to take into account potential upward rental reversion; and
- (b) the addition of approximately RMB21 million per annum to the estimated amount arrived at in paragraph (a) above for each of the financial years ending 31 December 2027, 2028 and 2029. The current leases, tenancies or licenses with independent third parties expiring in 2026 and 2027 amounted to approximately RMB420 million per annum. Some of the existing third party tenants may be acquired or merged by/with member(s) of the CK Group. The aforesaid RMB21 million per annum represents an assumption that 5.0% of such premises will be taken up by members of the CK Group which the Manager considers reasonable.

3. Renewed CK Property Management Master Agreement

3.1 Principal terms

The CK Property Management Transactions comprise the Building Management Services, the Property Manager Services and offering Hui Xian REIT Group's tenants or hotel guests to use certain club and other facilities of the CK Group. The principal terms of the Renewed CK Property Management Master Agreement are set out below:

Date: 16 April 2026

Parties: (i) CK Asset; and
(ii) the Manager (in its capacity as manager for and on behalf of Hui Xian REIT)

Term: Three years from 1 January 2027 up to 31 December 2029

Condition precedent: The Renewed CK Property Management Master Agreement is conditional upon the passing of an Ordinary Resolution by the Independent Unitholders at a general meeting of Unitholders to approve the Renewed CK Property Management Master Agreement, the CK Property Management Transactions and the CK Property Management Annual Caps. If this condition cannot be fulfilled on or before 31 December 2026 (or such later date as may be agreed between CK Asset and the Manager in writing), the Renewed CK Property Management Master Agreement shall terminate with immediate effect and none of the parties thereto shall have any rights against the other of them.

Purpose and other terms: To set out the framework terms on which the CK Property Management Transactions shall be entered into, renewed or extended during the term of the Renewed CK Property Management Master Agreement.

The Manager (for and on behalf of Hui Xian REIT) and CK Asset shall respectively procure the relevant members of the Hui Xian REIT Group and the relevant members of the CK Group (being the relevant parties to the CK Property Management Transactions) to enter into a separate written agreement with respect to each CK Property Management Transaction to be negotiated on a case-by-case and at arm's length basis, and shall be on normal commercial terms which from the Hui Xian REIT Group's perspective shall be no less favourable than those which members of the Hui Xian REIT Group could obtain from independent third parties.

Pricing policy: The fees chargeable for such transactions shall be based on the then prevailing market rates for similar services provided by professional property management service providers for properties of similar size and with similar attributes.

To ensure that each transaction under the Renewed CK Property Management Master Agreement is entered into based on the then prevailing market rate, the Manager has in place the following internal control procedures:

(a) Building Management Services

- (i) In respect of building management fees which are to be paid by Hui Xian REIT, the Manager will obtain, to the extent practicable, at least three quotations, of which at least two quotations are from independent third parties and at least one quotation is from a member of the CK Group in respect of the Building Management Services for the Properties and will compare the fees to ensure that such fees are at the then prevailing market rate and on normal commercial terms.
 - (ii) In respect of expenses incurred in relation to the provision of the Building Management Services by the CK Group which are to be reimbursed by Hui Xian REIT, in order to ensure that the expenses to be reimbursed to the CK Group are on normal commercial terms, the Manager will review the monthly reimbursement breakdown and assess the reasonableness of the claimed amounts before making the reimbursement of such expenses.
- (b) Property Manager Services
- (i) The Property Manager will prepare an annual budget for the projected annual expenses and monthly reimbursement breakdown of the relevant Property, which will be reviewed by the Manager before making the payment to ensure the claimed expenses are reasonable and on normal commercial terms.
 - (ii) In case members of the CK Group other than the Property Manager are proposed to be engaged for the provision of the Property Manager Services, the Manager will arrange to obtain, to the extent practicable, at least three quotations, of which at least two quotations are from independent third parties and at least one quotation is from a member of the CK Group in respect of fees to be incurred in relation to the provision of the Property Manager Services and will compare the fees to ensure that the fees quoted by members of the CK Group are in line with those offered by independent service providers and on prevailing market rates.

(c) Use of club and other facilities

The Manager will obtain, to the extent practicable, at least three quotations, of which at least two quotations are from independent third parties and at least one quotation is from a member of the CK Group covering similar services and will compare the fees to ensure that the fees to be charged by the relevant member of the CK Group are in line with those offered by independent service providers and on prevailing market rates.

3.2 Historical transaction amounts

The table below sets out the aggregate historical transaction amounts paid or payable by members of the Hui Xian REIT Group to members of the CK Group in respect of the CK Property Management Transactions for each of the two years ended 31 December 2024 and 2025 and the two months ended 28 February 2026:

For the year ended 31 December	For the two months ended
2024	28 February 2026
<i>RMB'000</i>	<i>RMB'000</i>
125,528 (<i>Note 1</i>)	21,818 (<i>Note 2</i>)
130,280 (<i>Note 1</i>)	

Notes:

1. The annual cap amounts in respect of the CK Property Management Transactions under the Existing CK Property Management Master Agreement for the two years ended 31 December 2024 and 2025 were RMB220,200,000 and RMB239,100,000 respectively.
2. Based solely on the historical figures for the two months ended 28 February 2026, the annualized transaction amount in respect of the CK Property Management Transactions for the year ending 31 December 2026 is projected to be approximately RMB130,908,000. Such annualized amount is for illustration purpose only and no representation is made that the actual transaction amount in respect of the CK Property Management Transactions for the year ending 31 December 2026 will be of such an amount. Notwithstanding, the annual cap for the year ending 31 December 2026 in the amount of RMB259,600,000 under the Existing CK Property Management Master Agreement has not been, and it is expected that it will not be, exceeded.

3.3 CK Property Management Annual Caps and basis for determining the CK Property Management Annual Caps

The maximum annual amount payable by members of the Hui Xian REIT Group to members of the CK Group in respect of the CK Property Management Transactions for each of the three years ending 31 December 2027, 2028 and 2029 (i.e. the CK Property Management Annual Caps) will not exceed the amounts set out below:

For the year ending 31 December		
2027	2028	2029
<i>RMB'000</i>	<i>RMB'000</i>	<i>RMB'000</i>
205,900	224,700	245,400

The CK Property Management Annual Caps are determined based on the following assumptions:

- (a) the aggregate of the following:
- (i) the historical transaction amounts of the CK Property Management Transactions (excluding the variable component of the Property Manager's fee received by the Property Manager in respect of Beijing Oriental Plaza, which is elaborated in subparagraph (ii) below) for the year ended 31 December 2025 with an additional approximate 10% annual increase applied to the relevant fee and reimbursement amounts (including the reimbursement of expenses in respect of the Property Manager Services), which was determined having regard to the growth rate between 2023 and 2025 which ranged from 7.5% to 11.4%, which the Manager believes is reasonable; and
 - (ii) using the Property Manager's fee received by the Property Manager in respect of Beijing Oriental Plaza for the year ended 31 December 2025 (i.e. approximately RMB25,573,000, which represents 2% of the NPI of Beijing Oriental Plaza) as the base, an increased Property Manager's fee that represents the maximum of 3% of the NPI to be received by the Property Manager in respect of Beijing Oriental Plaza, given that Manager might elect to allocate the 3% per annum variable fee between the Manager and the Property Manager;
- (b) with regard to the NPI mentioned in paragraph (a)(ii) above, there will be an approximate 6% increase per annum from the NPI of Beijing Oriental Plaza recorded during the year ended 31 December 2025, with reference to the NPI growth for the past years starting from 2011 (i.e. the year of listing of the Units on the Stock Exchange) which ranged from -25.9% to 9.9%; and

- (c) the application of a buffer of approximately 21.3%, 21.4% and 21.6% to the aggregate sum referred to in paragraph (a) above for the financial years ending 31 December 2027, 2028 and 2029 respectively to cater for (i) a possibility that a new property in a scale similar to Chongqing Metropolitan Oriental Plaza (“COP”) might be acquired by the Hui Xian REIT Group, whereby a member of the CK Group is engaged to provide property management services for the property during the term of the Renewed CK Property Management Master Agreement and (ii) any other contingencies such as unforeseeable market fluctuations, possible upgrades, repair and renovation works to be carried out in the properties of the Hui Xian REIT Group. The buffer is mainly derived from the combined property management fee and property manager reimbursement for COP for the year ended 31 December 2025 (i.e. approximately RMB29,783,000) with an approximate 10% annual increase.

For the avoidance of doubt, the above assumptions are solely for the purpose of calculating the CK Property Management Annual Caps. There is currently no concrete plan that the Hui Xian REIT Group will acquire one or more properties during the term of the Renewed CK Property Management Master Agreement. Unitholders, as well as any prospective investors of Hui Xian REIT, are therefore advised to exercise caution when dealing in the Units.

4. Reasons for and Benefits of the Continuing CPTs

CK Leasing and Licensing Transactions

Leasing of properties is one of the core businesses and major source of income of the Hui Xian REIT Group. The Hui Xian REIT Group had from time to time in the past leased the Properties to members of the CK Group and would prefer to continue leasing the Premises to such tenants which it is familiar with and which it can ensure punctual payment of rental and related charges. The leasing and licensing of the Properties to the CK Group will contribute a stable and reliable income to the Hui Xian REIT Group and accordingly the renewal of the Existing CK Leasing and Licensing Master Agreement is the interest of the Hui Xian REIT Group.

CK Property Management Transactions

Members of the Hui Xian REIT Group have been engaging members of the CK Group to provide certain property management related services and property manager related services for a long time. The Manager expected that the abovementioned transactions between the Hui Xian REIT Group and the CK Group would continue in the future so as to facilitate the daily operation and management of the Properties of the Hui Xian REIT Group. The Board considered that the renewal of the Existing CK Property Management Master Agreement is beneficial to the Hui Xian REIT Group because (i) it has the practical need to use the services under the CK Property Management Transactions from time to time in its ordinary and usual course of business; (ii) the relevant members of the CK Group have solid experiences and expertise in providing property management, operation arrangements and marketing services, and the CK Property Management Transactions can facilitate an effective management of the Properties; (iii) the Renewed CK Property Management Master Agreement will continue to offer flexibility for the Hui Xian REIT Group in the selection of service providers

by allowing the Hui Xian REIT Group to use the relevant services of the CK Group as and when appropriate, and (iv) the Renewed CK Property Management Master Agreement will also continue to allow the Hui Xian REIT Group to provide its tenants or hotel guests the use of certain club or other facilities of the CK Group, which has a value-added effect and will improve the attractiveness of leasing the properties or staying at hotels owned by Hui Xian REIT. The CK Property Management Transactions contemplated under the Renewed CK Property Management Master Agreement are commercial transactions conducted in the ordinary and usual course of business of the Hui Xian REIT Group and are fair and reasonable, and in the interests of the Hui Xian REIT Group and the Unitholders as a whole.

5. Independent Board Committee and Independent Financial Adviser

Pursuant to Rule 14A.40 of the Listing Rules, the Independent Board Committee (comprising all the independent non-executive Directors) has been established by the Board to advise the Independent Unitholders on the terms of the Renewed CK Property Management Master Agreement, the CK Property Management Transactions and the CK Property Management Annual Caps. Pursuant to Rule 14A.44 of the Listing Rules, Crescendo Capital Limited has been appointed as the Independent Financial Adviser to provide its opinion on these matters to the Independent Board Committee, the Independent Unitholders and the Trustee.

9. Implications under the REIT Code

CK Asset is the holding company of Noblecrown Investment Limited (a substantial holder of Hui Xian REIT) and through Noblecrown Investment Limited and other CK Group entities is interested in approximately 35.06% of the total number of issued Units. CK Asset is therefore a connected person of Hui Xian REIT, and each of the Continuing CPTs therefore constitutes a continuing connected party transaction of Hui Xian REIT under the REIT Code and the Listing Rules (modified as appropriate pursuant to Paragraph 2.26 of the REIT Code).

As the highest applicable percentage ratio (as defined in the Listing Rules) in respect of the highest CK Leasing and Licensing Annual Caps exceeds 0.1% but is less than 5%, the Renewed CK Leasing and Licensing Master Agreement and the CK Leasing and Licensing Transactions (as well as the CK Leasing and Licensing Annual Caps) are subject to the announcement, reporting and annual review requirements but are exempt from the Independent Unitholders' approval requirement under the REIT Code and the Listing Rules (modified as appropriate pursuant to Paragraph 2.26 of the REIT Code).

None of the Directors has a material interest in the Continuing CPTs or was required to abstain from voting on the relevant resolutions of the Board. However, as good corporate governance, Mr. KAM Hing Lam and Mr. IP Tak Chuen, Edmond, who are also directors of CK Asset, have voluntarily abstained from voting on the resolutions approving the Continuing CPTs.

10. Opinion of the Trustee

Based on the information and assurances provided by the Manager including but not limited to those as set out in this announcement, and having taken into account its duties set out in the REIT Code and the Trust Deed, the Trustee: (a) has no objection to the entering into of the CK Leasing and Licensing Transactions in accordance with the terms of the Renewed CK Leasing and Licensing Master Agreement; (b) is of the view that the CK Leasing and Licensing Transactions are consistent with the investment policy of Hui Xian REIT and in compliance with the REIT Code and the Trust Deed; (c) is of the view that the CK Leasing and Licensing Transactions are on normal commercial terms and are fair and reasonable and in the interests of Hui Xian REIT and the Unitholders as a whole; and (d) confirms that no Unitholders' approval is required under the REIT Code and the Trust Deed for the entering into of the CK Leasing and Licensing Transactions provided that the terms of the Renewed CK Leasing and Licensing Master Agreement are complied with and the CK Leasing and Licensing Annual Caps are not exceeded.

Based on and in sole reliance upon: (1) the opinion of the Board and the information and assurances provided by the Manager; (2) the opinion of the Independent Financial Adviser as set out in the "*Letter from the Independent Financial Adviser*" in the Circular; and (3) the opinion of the Independent Board Committee as set out in the "*Letter from the Independent Board Committee*" in the Circular, and having taken into account its duties set out in the REIT Code and the Trust Deed, the Trustee: (a) has no objection to the entering into of the CK Property Management Transactions in accordance with the terms of the Renewed CK Property Management Master Agreement; (b) is of the view that the CK Property Management Transactions are consistent with Hui Xian REIT's investment policy and in compliance with the REIT Code and the Trust Deed; and (c) is of the view that the CK Property Management Transactions are on normal commercial terms and are fair and reasonable and in the interests of Hui Xian REIT and the Unitholders as a whole.

The Trustee has not made any assessment of the merits or impact of the foregoing matters, other than for the purpose of fulfilling its fiduciary duties set out in the Trust Deed and the REIT Code. Accordingly, the Trustee urges all Unitholders, including those who have any doubts as to the merits or impact of the foregoing matters, to consider “*Letter from the Independent Financial Adviser*” set out in the Circular and seek their own financial or other professional advice.

11. Internal control

All connected party transactions (including continuing connected party transactions) must, among other things, be carried out at arm’s length, on normal commercial terms and in the interests of the Unitholders. The following internal control measures are in place to ensure that such transactions satisfy the foregoing criteria:

- (a) As a general rule, the Manager must demonstrate to the audit committee of the Manager that all connected party transactions satisfy the criteria under Paragraph 8.7 of the REIT Code, which may entail (where practicable) obtaining quotations from independent third parties, or obtaining one or more valuations from independent professional valuers if necessary. The audit committee of the Manager reviews all the connected party transactions on a half-yearly basis.
- (b) The Manager investigates and monitors all transactions by the Hui Xian REIT Group in order to determine whether such transactions are connected party transactions or, as the case may be, are becoming connected party transactions. - (c) The Manager maintains a register to record all connected party transactions which are entered into by members of the Hui Xian REIT Group and the bases, including at least two quotations from independent third parties and (to the extent where applicable) relevant expert’s opinion obtained to support such bases, on which they are entered into. The Manager reviews and monitors the annual caps from time to time on an on-going basis to ensure it has not been, and will not be, exceeded.
- (d) The Manager incorporates into its internal audit plan a review of all connected party transactions entered into by the Hui Xian REIT Group.

- (e) The audit committee of the Manager has the right to review the register of connected party transactions to ascertain that the guidelines and procedures established to monitor connected party transactions have been complied with and, among others, whether the transactions (including the CK Leasing and Licensing Transactions and the CK Property Management Transactions) are fair and reasonable. The Trustee also has the right to review such register to ascertain that the REIT Code has been complied with.

12. Review and reporting

The Continuing CPTs will be subject to the following review and reporting processes pursuant to Paragraph 8.7A of the REIT Code and Rules 14A.55, 14A.56, 14A.58, 14A.59, 14A.71 and 14A.72 of the Listing Rules (modified as appropriate pursuant to Paragraph 2.26 of the REIT Code).
